January 2011 Newsletter

PRESIDENT'S MESSAGE

Hi Lioness,

Here we are in a new year already.

In December we work together to help out our community with our Christmas family and gifts for the kids. We also help out with the "Baskets of Love".

This year with all who help and with the donations 380 baskets were made.

We are starting our new year with our first meeting at the lodge on January 25.

Jerry Gibbons, who is diabetic will be speaking about diabetics.

Eight of us attended the District Convention at the Grand Geneva. Friday evening Lioness Dawn, Lion Bill, Lioness Amy and myself help with Lioness Cindy's hospitality suite. It seemed to me that everyone had a great time that evening. Saturday the seminars were very informative. The committee made some changes in procedure which made everything run much smoother. (YEA) I think it was a very nice convention. It was great being with all the district clubs.

Looking forward to another great year.

Yours in Lionism
