MADE IN AMERICA

Have a happy and safe summer.

The heat is here so remember to wear your suntan lotion and hats.

The list is on the back for the 4th of July. Remember it takes all of us to pull this together. Our projects work best when we work together.

Remember to turn in your raffle tickets and money on Thursday night at the raffle tent by the food stand.

4th of July

The 4th of July is on Saturday this year. The fair will be July 2, 3, 4, 5 with the parade on Sunday. The fireworks have been moved to Friday night as to not conflict with other area shows.

Please let your friends and family know because this is a big change from previous years.
