PRESIDENTS MESSAGE

Hello Fellow Lions,

Well fall is in the air and the weather has turned cold to let us know that winter is just a step away. Our first project is on its way and many others are in the works. From the Christmas baskets to the Fashion show and to Golf the wheels are turning. It good to see all the excitement that you all have once again in the up coming events to make them happen.

See you at the spaghetti dinner and don't forget you deserts.

Yours in Lionism
President Amy Block

HATTIE - THE TRAVELING HAT

Our Affiliate President's theme is "Hats Off to Lionism". To promote the theme she is passing a hat around to all the clubs. Each club puts a decoration on the hat and passes it long. Hattie's first visit was to the Eagle Lioness who placed a purple and gold ribbon on it. Check the Lioness Web site to see pictures of the hat and track where she is going.
